

Right of Appeal

If We have denied your request for the provision of or payment for a health care service or course of treatment. You have the right to have our decision reviewed by following the procedures outlined in this notice. You also may have the right to an expedited review under circumstances where a delayed review would adversely affect you.

If you have questions about your claim, please contact TruAssure's Customer Service department at the telephone number listed on your EOB. Because most questions about benefits can be answered informally, we encourage you first to try resolving any problem by talking with us. Of course, you have the right to file an appeal requesting that we formally review our claim decision, without making an informal inquiry.

To file an appeal, you must send a written request within 180 days from the date you receive this form to: Re-evaluation Committee, TruAssure Insurance Company, 111 Shuman Boulevard, Naperville, IL 60563. If you have any additional documents, records, or other information in support of your appeal, or if you want to submit written comments, you have the opportunity to do so. They should accompany your written request. Be sure to include the patient name, subscriber name, and the subscriber identification number on all documents.

You also have the right to an expedited appeal if you have a medical condition where the time frame for completion of a standard appeal would seriously jeopardize your life or health. We will provide a decision on an expedited appeal within 72 hours. Call our customer/member services number at 888-559-0779 to get more information or to request full copy of our Claims Appeals Procedures, or you can find these procedures on our website at: <https://www.truassure.com/forms>

TruAssure will provide a written decision on your appeal within 30 days. If your group dental plan is subject to the federal law known as the Employee Retirement Income Security Act ("ERISA"), you will have the right to bring a civil action under section 502(a) of ERISA should TruAssure make adverse benefit determination on appeal.
